REPORT OF SUPERINTENDENT OF SCHOOLS

School Board of Campton School District:

I hereby submit my fourth annual report as Superintendent of Schools.

The statistical tables for the year 1936-1937 follow this report.

Three changes have occurred in the teaching staff of the district since my last report. Jessie E. Stott of the West Campton school is succeeded by Doris M. Stimson, a teacher of several years of successful experience. Miss Stimson is a teacher of good scholarship and the children are progressing well under her instruction. An extensive standard test was given to grades 4-8 and the children were interested in seeing where they exceeded and fell below their grade scores. Such a course generally motivates study more than the arbitrary statement that one must study more.

Phyllis A. Adams, a graduate of the Keene Normal School succeeds Mrs. Amy B. Morse at the Blair school. Miss Adams is a promising teacher and the children are happily employed in worthwhile activities.

Evelyn A. Pollard of the Village primary room is succeeded by Marion Cotton of Warren. Miss Cotton is a graduate of the University of New Hampshire and the State Normal School of Plattsburgh, New York. Miss Cotton is of exceptionally high scholarship and has had special training in remedial reading. With a membership of approximately 36 pupils she has a real challenging situation which she is meeting with success.

Miss Teresa Jenness has resigned her position at the Beebe River primary school to take effect at the close of this term. Carrie Smith of Quincy just graduated from the Plymouth Normal School has been appointed to complete the present year.

Last summer extensive repairs were made at the Campton Center School in the interest of more space and more light. The partition to the chemical toilet

room now discontinued was taken down making a splendid alcove where clothes can be hung up and may also be used as a stage. The blackboard now is on the wall giving considerable more floor space. High windows were installed in place of the lower ones formerly there. The Campton Village school was painted inside, new stoves were installed this winter at the Center and Livermore Falls schools. During the coming year the West Road school should be painted and repairs made on the ceiling.

The Board held 9 meetings last year and attended carefully to school affairs. The per pupil cost of instruction in the schools of the district exclusive of debt, interest and new equipment is \$70.16 as compared with the median of \$77.16 for the state. The district debt is reduced to \$2,500. Approximately 55 children of the district are attending the Plymouth High School.

Respectfully submitted,

ALLAN M. McCURDY,

Superintendent of Schools.
